## ABOUT THE ARTIST

Bianca Koehn grew up in Norfolk, Nebraska and is currently an art educator there. She has been in education for more than 20 years in various roles. Bianca graduated from the University of Nebraska at Lincoln with a Bachelor's in Education. In 2023 she received her Master's degree in Arts Education from the University of Nebraska at Kearney.

Bianca is passionate about teaching and helping others develop self-awareness through art. Introducing her students to art and giving them space to explore their creativity she believes is the key to a well-rounded education and person. Bianca is a certified Social and Emotional Learning Facilitator. She also has her 200 hr. yoga teaching certification.

Mental health and wellbeing play a vital role in her works of art. While she pursues many types of creative outlets ranging from gardening, cooking, jewelry making, photography and drawing, her true passion is painting. Often her paintings are intuitive and explore a wide range of emotions.

"The colors, textures, and patterns are a result of an almost meditative like state. They are a lens to the inner human world of emotion. When I paint I understand myself better, have more compassion, and am more at peace having allowed myself the space to experience life."
